Testimonial

"Fulford (York) Golf Club has used Fairway Credit since 2001 and it has proved to be a popular payment scheme with our members and a real benefit to the golf club office. I am pleased to say that the Fairway Credit facility makes the administration of our payment scheme simple and easy, especially compared to "in-house" schemes I have experienced. Fairway Credit's online system, Fee Plan Online, allows us to keep abreast of all aspects of the payments being made. I would recommend Fairway Credit to any golf club wanting to offer a payment scheme."

(Gary Pearce, GCMA Manager of 2009, The Fulford (York) Golf Club)

How does it work?

It's easy; the member completes and signs an application form including a Direct Debit Instruction. The signed form is returned to the club for authorisation and onward transmission to Fairway Credit who will then conduct a credit assessment. Upon approval, the agreement will be set up and Fairway Credit will send a credit agreement to the member for them to sign and return together with confirmation of when the 1st payment will be collected and details of the payment schedule.

Transaction fees

Full details of our flexible transaction fees and commission will be provided by Fairway Credit's Business Manager.

What happens at renewal?

No further agreements need to be signed by your renewing members. The new subscription is notified to Fairway Credit by you using Fee Plan Online and Fairway Credit will write to all members to advise them of new payment schedules in advance of the first collection.

How to apply for a Fairway Credit facility

Contact us at least one month prior to when your renewals are sent to set up a facility. Once our Business Manager has spoken to you, and you have received the Fairway Credit application documents, all you need to do is complete and send the documents to Fairway Credit.

The documents we will need are:

- ◆ A completed and signed Intermediary Application Form.
- ◆ Two signed copies of our Trading Agreement.
- ◆ A signed copy of our online user terms and conditions.
- ◆ A copy of your most recent accounts.

Your application will then be reviewed by Fairway Credit, and if approved, you will be able to use the facility in time for your new subscription year before your new subscriptions are out.

You will also need a Consumer Credit Licence which your club can apply for at www.ofc.gov.uk. This will require the payment of a fee. For further information please contact us via the details below so we can arrange for our Business Manager to get in touch.
